\*\*\*\*\*

I/We accept the following terms and conditions to be eligible as a REACH family for 2016-17.

REACH families whose children are placed in the eligible classrooms\* will receive the first year of tuition free of charge. All CLS families, including REACH families, are expected to volunteer and participate in PTL, athletic events and fundraising activities, to the extent they can, in order to fully realize the CLS family experience.

REACH families agree to apply for scholarships from Iowa Lutheran School Tuition Organization (ILSTO). REACH families are responsible for completing and submitting the application in accordance with ILSTO requirements and deadlines (see application). Failure to apply for an ILSTO scholarship may result in revocation of the REACH agreement.

REACH families are responsible for timely payments of enrollment fees, lunch fees, field trips, fees for extracurricular activities, etc., incurred while attending Central Lutheran School. All fees must be paid in full by end of school year.

My/Our signature below represents that I/we understand the terms and conditions described above. Failure to comply with terms and conditions may jeopardize our REACH scholarship.
